

MEETING ON February 28, 2010
GREEK RESTAURANT LE CHATEAU ST-CONSTANT

We held our first meeting in 2010 in St-Constant in collaboration with Johanne Cottenoir.

Unfortunately no photo was taken in order to capture this meeting because we forgot to bring a camera. I apologize to the participants.

With 12 people present we have collected documents and photos that we posted on the site at appropriate places. We had people from Blainville, Gatineau, Richelieu, Lachute, Saint-Donat, St-Hubert and Delson representing families Preville, Cottenoir and Cotnoir. The atmosphere was very cordial and the meeting helped recruit two directors to incorporate our association. This incorporation will be made within weeks.

I take this opportunity here to thank Johanne Cottenoir as representative of Montreal-Monteregie and Jacques Cotnoir as representative of the Laval-Laurentides.

At this meeting we witnessed a touching generosity from some of the participants who have contributed for 150 \$ donations for the smooth running of the site, and six new members have joined the Association. The list of donations and membership is on our website under the appropriate tabs.

Thank you so much that your confidence but also of interest that participants in our meetings show their history and the great family of Cottenoir / Cotnoir / Preville .

Thanks for your support and most importantly, your presence
