

**Brunch at the Ste Rose Laval Restaurant
On May 23, 2010**

We wanted to offer a 2nd meeting in Laval since it was nearly 2 years since we held the first.

Unfortunately, the date we wanted was not available and we had to fall back on May 23 and as we know, it was a long weekend. While wishing this holiday weekend to allow people to come we meet, we continued our project.

Rachel and I have received seven people with whom we shared good food while discussing our summer projects. All these people are active members of the Association and we thank them for coming and we welcome their participation.

We understand that the absentees had other obligations and we hope to see you at an upcoming meeting!_
