

MEETING IN JOLIETTE  
May 1, 2011  
AT BENNY BBQ

On 1 May, we held a second meeting in as many years with Benny in Joliette.

This meeting helped to complete some genealogical data and get some additional pictures of the Preville's families which were placed in the appropriate albums.

12 people over the 16 who had confirmed their attendance attended the lunch. And the others were absent because of disease in their family.

It was still a warm meeting which allowed a good exchange among participants.
